Company Profile

M. M. Traders, a pinnacle of quality stamping is a company with an experience of over 3 decades in providing precision Rotor / Stator & fan spare parts to its customers.

Since its inception, i.e. 1982 the company has heavily relied on Design & Quality, backed by on time delivery and ready stock.

Aeolus is a quality brand initiative by M.M. Traders which we have created from our experiences and learnings. We are determined to provide highest quality appliances to the customers who made us who we are.

ka Vādhā, hawa sabse jayada.....

Testimony

Our brand is continuously pushing its boundaries, for which we have been rewarded & accepted by few of the nationalized brands as being an OEM for them.

Vision

To Acquire Red Dot Award  Recognition..... any many more
